

STEVENS INSTITUTE OF TECHNOLOGY

Undergraduate & Graduate Admissions Guide

Academic Year 2025–2026 | Publication Date: August 2024

Office of University Admissions | Rev. 3.1

Stevens Institute of Technology, founded in 1870 and located in Hoboken, New Jersey, is a private research university recognized for excellence in engineering, science, business, and the arts. This guide provides prospective students with the information needed to apply to Stevens for the 2025–2026 academic year.

Section 1 — Undergraduate Admissions

1.1 Freshman Application Requirements

All freshman applicants must submit the following materials via the Common Application or Stevens-specific portal:

- Completed online application form
- Official high school transcript (GPA minimum 3.5 recommended)
- Two letters of recommendation (one academic, one counselor)
- SAT or ACT scores (optional for 2025–2026 cycle — test-optional policy in effect)
- Personal essay (500–650 words)
- \$70 non-refundable application fee (fee waivers available)

1.2 Freshman Deadlines

Application Round	Deadline	Decision Notification
Early Decision I	November 1, 2024	December 15, 2024
Early Decision II	January 15, 2025	February 15, 2025
Regular Decision	February 1, 2025	March 31, 2025

Applicants are encouraged to apply Early Decision if Stevens is their first choice. ED is a binding commitment. Enrollment deposit of \$500 is due within 2 weeks of acceptance.

1.3 Transfer Applicants

Transfer students must have completed at least 12 credit hours at an accredited institution. Transfer deadlines are as follows:

- Fall semester: March 15, 2025
- Spring semester: November 1, 2024

Transfer applicants must submit official college transcripts from all previously attended institutions, course descriptions for any courses to be evaluated for credit transfer, and a statement of purpose (300–500 words).

Section 2 — Graduate Admissions

2.1 General Requirements

Graduate applicants (master's and doctoral) must hold a bachelor's degree from an accredited institution. Departmental requirements vary; please refer to the specific program page on [stevens.edu](https://www.stevens.edu).

- Completed graduate application
- Official undergraduate transcripts
- GRE scores (required for Ph.D. programs; optional for most master's programs)
- Statement of purpose (500–750 words)
- Three letters of recommendation
- Resume or CV
- \$60 application fee

2.2 Graduate Application Deadlines

For most graduate programs, the priority application deadline for fall admission is February 1, 2025. Applications received after this date will be considered on a space-available basis. Spring admission priority deadline is October 1, 2024.

⚠ Note: Priority deadlines vary by department. Engineering programs (ECE, CS, ME) may have earlier departmental deadlines — confirm directly with your program coordinator.

2.3 Graduate Deadlines Table

Program Type	Fall Priority Deadline	Spring Deadline
Master's (most programs)	January 15, 2025 *	October 1, 2024
Ph.D. Programs	December 15, 2024	N/A
Part-time / Professional	Rolling admissions	Rolling admissions

* See Section 2.2 for priority deadline details.

Section 3 — Admissions Criteria & Selection

3.1 Holistic Review

Stevens employs a holistic review process, weighing academic achievement, extracurricular involvement, demonstrated leadership, and alignment with Stevens' mission in technology and innovation. No single factor is determinative.

3.2 Accepted Student Profile (Class of 2028, Undergraduate)

Metric	Range / Average
Unweighted GPA	3.7 – 4.0
SAT (middle 50%)	1340 – 1520
ACT (middle 50%)	31 – 35
Acceptance Rate	~43%
